The Human Resource Manager
Save The Children Uganda

Dear Sir / Madam,

I am writing to apply for the IT Manager-National Contract position advertised on your Website

The opportunity presented in this listing is very interesting, and I believe that my strong technical experience and education will make me a very competitive candidate for this position. The key strengths that I possess for success in this position include:

- I have successfully designed, developed, and supported live use applications
- I have worked as an assistant systems administrator volunteer at Makerere University and Women's Hospital International which exposed me to great and world class networking technology
- I strive for continued excellence
- I provide exceptional contributions to customer service for all customers
- I have a wide Understand of Emerging Trends In technology such as Social Media Platforms, Web 2.0, Blogs and Wikis.
- I have built Management Information Systems that run in Relational Databases with SQL as the Main Back born for data storage

With a Bachelor degree in Information Systems, I have a full understanding of Database Systems Like MYSQL, ORACLE and Ms SQL, the full life cycle of a software development project, System and Networks administration, Computer Application, Business Management and personal relation. I also have experience in learning and excelling at new technologies as needed.

Please see my resume for additional information on my experience.

I can be reached anytime via email at jotechjoab@gmail.com or my cell phone, +256703729371 or +256789358609.

Thank you for your time and consideration. I look forward to hear from you about this employment opportunity.

Sincerely,

Mumbere Joab
